DEAR MADAM/ DEAR SIR,

The “Dimitrie Cantemir” Christian University from Bucharest, Romania, is kindly inviting you to attend the international conference on **“The philosophy of law, from Enlightenment to contemporaneity”**, which will take place in May 17-19, 2018.

The conference works will be held in a plenary session and in three sections:

Section I: The philosophy of law and its historical evolution. Dimitrie Cantemir and the Enlightenment

Section II: The juridical doctrine, from the Enlightenment till the contemporary scientific rationalism

Section III: Philosophy of law today.

The scientific event will be honoured by the presence of Professor Mortimer Sellers, the *President of the International Association for Philosophy of Law and Social Philosophy*. Professor Mortimer Sellers, the honorary President of the conference, will be awarded the high title of Doctor Honoris Causa of the “Dimitrie Cantemir” Christian University, as a sign of his remarkable professional achievements.

The conference works will be opened in May 18, 2018 at 10.00 o'clock, in the Aula Magna of the University, and will be followed by the ceremony of awarding the high title of Doctor Honoris Causa. Further information about the conference programme will be available in due time. You may find enclosed the conference registration form.

Given its subjects, the international conference on **“The philosophy of law, from the Enlightenment epoch till the contemporary period”** is focused on the European context of the philosophy of law, also reflecting Dimitrie Cantemir’s works in the philosophy of law and the national unity at European level. The conference is a part of the events organized by our university on the occasion of the centennial anniversary of the Romanian national state foundation.

Conference registration and participation are free of charge. Coffee breaks and lunches during the conference will be covered by the organising university. Participants are responsible for arranging their own transportation to the conference venue and accommodation during the conference.

We are aware that for some participants it is very complicated to come to Bucharest, reason why we would accept video-conference participation via SKYPE (we let you know the address).

Thank you in advance for sending this invitation to the conference to your colleagues.

Your presence at this scientific event will be a great honour for the whole “Dimitrie Cantemir” Christian University academic community.

Looking forward to your favourable answer,

ORGANISING COMMITTEE
